

11 THE TEACHING OF LOCAL HISTORY AND ITS IMPORTANCE

ASSIS, Elisabete Xavier de; BELLÉ, Kássia; BOSCO, Vânia Dilma.

ABSTRACT: This article seeks to work the importance of teaching local history in fundamental and high school education, from the text book and the teaching methodology employed in the classes of history. For this purpose, it has been analysed texts from several authors about the teaching of local history and their problems. The importance of teaching local history permeates the text, counting on the support of authors like Barbosa (2006), Noronha (2007), Rocha (2003), among others listed in the text.

KEYWORDS: Local History. Textbook. Community.
