## **12 Inclusive Educational Management: Specialized Educational Assistance (SEA) And Their Contributions**

Joana Dake Da Silva Silva; Glória De Oliveira Fagundes; Clarice Pires; Heloisa Helena Leal Gonçalves

**ABSTRACT:** This article is the result of Supervised Internship of the Special Education major, convent PARFOR- MEC / UNIVALI, which aims to show a study on inclusive education management in the city of Itajaí with focus on Educational Management in the Inclusive Education perspective in school and non-school spaces, that is, from the perspective of education of subjects with deficiencies and how is the process of schooling them. In this sense we feel the need to disseminate, clarify the role of the Specialized Educational Assistance (SEA). The Specialized Educational Assistance, from the 1988 Constitution and the principles of inclusive education, is no longer a different terminology to designate Special Education, and will provide in favor of including in all levels of education. Is guaranteed in Article 29 of the Constitution as a transversal way at all levels, stages and types of education. It is an integral part of regular education.

**KEYWORDS:** (1) Specialized Educational Care. (2) Special Education. (3) Essential Stimulation.
